A.P. STATE COUNCIL OF HIGHER EDUCATION

GUIDELINES FOR THE REVISED CHOICE BASED CREDIT SYSTEM CBCS (W.E.F 2020-21)

I. Preamble:

Choice Based Credit System (CBCS) was introduced, under the aegis of Andhra Pradesh State Council of Higher Education (APSCHE), at the insistence of the University Grants Commission, for the general undergraduate programmes, i.e., BA, BCom, BSc, BCA, BBA, UG Honours etc., by the affiliating universities in all government, aided and private degree colleges in the state of Andhra Pradesh in 2015 - 2016.

The system of CBCS has been in vogue for the undergraduate programmes in all the advanced countries for several decades and proved to be advantageous to the students of higher education because of its features like courses in place of papers, availability of diverse courses, scope for choice, weightages with credits, space for multiple kinds of teaching, learning and assessing methods which can effectively cater to the diverse needs of students.

As the existing CBCS would be completing five years by 2019-20, the APSCHE decided to revise and strengthen the scheme while addressing the following issues.

- a. Overcoming the shortages in the existing system.
- b. Consolidating the system in its true spirit by providing multiple choices in domain as well as general courses.
- c. Revising the curricular framework wherever needed.
- d. Orienting syllabus to the course outcomes as advised by UGC
- e. Updating of syllabus to match to the present needs
- f. Replacing papers with courses
- g. Introducing better skill-oriented courses to align with the emerging and employment areas.

For carrying out the above task, the APSCHE constituted a Committee for recommending revised curricular framework and updated syllabus of UG Programmes,

i.e., B.A., B.Com., B.Sc., BCA, BBA, UG Honours etc., under CBCS pattern from the year 2020-21.

Based on the recommendations of the Committee, the following Guidelines are formulated. These Guidelines of Curricular Framework with revised Choice Based Credit System comes into effect from the academic year 2020 – 2021, to be strictly adhered for all Undergraduate Programmes offered in Affiliated Colleges and Autonomous Colleges.

1. The Curricular Framework for UG – Arts; UG – Science and UG – Commerce are appended as Annexures – I, II & III respectively.
2. **Life Skill Courses:** There will be 4 Life Skill Courses in place of earlier 10 foundation courses with the same hours, credits and maximum marks. The objective is to inculcate the required simple life-long skills. While the course in 'Environmental Education' continued to be mandatory, in case of others, students can opt one out of three courses, unlike in the existing system, where no choice is being given to students.
3. **Skill Development Courses:** A new set of 4 Skill Development Courses will be offered with 2 hours of teaching per week, two credits, 50 maximum marks and only external assessment. These courses are intended to train students in broad-based multiple career oriented general skills, in Arts, Commerce and Science streams but open to all students. A wider choice is given to students as they can choose one course from a total of six courses (two from each stream).
4. The preferred departments for teaching LSCs and SDCs are appended.
5. To ensure accountability among the teachers teaching LSCs and SDCs courses, the workload of these is to be reckoned for the calculation of workload of teachers.
6. **Core Courses:** Three core courses of Domain subjects will be in the first three semesters, and the fourth and fifth courses will be in the fourth semester. Two domain SECs will be in the fifth semester. There will be uniformly five Core Courses in each Domain Subject in BA and BSc, and 15 in BCom.

7. **Skill Enhancement Courses:** Two Skill Enhancement Courses will be offered for each domain subject, in Semester V. The two Skill Enhancement Courses of each domain subject will be linked for a wider basic and practical experience to students.
8. Programmes like BCA, BBA, UG Honours etc. will broadly have a similar framework as prescribed for B.Com considering them as single major subject programme.
9. Table-1: Main Features of the Courses in the Revised Curricular Framework.

Subject/Course	Hours / Week Theory	Hours / Week Practicals	Total Hours	Credits	Max Marks Internal Assessment	Max Marks University Exam	Total
Life Skills Course	02	-	02	02	-0-	50	50
Skill Development Course	02	-	02	02	-0-	50	50

Domain Sub -3	C-1 (06)	C-2 (06)	C-3 (06)	C-4 (06) C-5 (06)	SEC-1(06) SEC-2 (06)
Total Hours/Week	30	32	32	36	36

* Figures in parenthesis are hours per week of Core Courses of Science. In respect of Arts and Commerce Courses, the hours per week for Core Courses will be 5.

** SEC1 and SEC-2 in Sem-V are C-6 and C-7 respectively.

11. Teaching of two appropriate LSCs/SDCs are to be assigned to the language departments to mitigate the workload shortage for the language subjects, as being done in respect of Foundation Courses in the previous system. The workload for teaching LSCs and SDCs by the respective language department shall be reckoned while calculating their workload.
12. The syllabus was revised and updated keeping the Learning Outcomes in view for ensuring higher order learning and skills, a requirement in higher education. The Universities and colleges shall make certain that teaching, learning and assessment are outcome oriented.
13. In the affiliation system which imposes limitations in assessing students, the internal assessment is crucial in ensuring the right learning. Universities and colleges may strengthen the internal assessment without disturbing its flexibility.
14. Co-curricular activities play an important role in promoting experiential self-learning and field-based learning in students, especially in learning higher order skills. The measurable pedagogical activities can be a small part of internal assessment.
15. The respective Boards of Studies of the affiliating universities/autonomous colleges may modify the syllabus prepared by the subject committees as mentioned above to a limited extent, without disturbing the Frame work recommended above.
16. In view of the advantages of using ICT in teaching and learning, the universities and colleges may offer 'online courses' on extra credits. They may take into consideration the standardized online courses offered by various government/public agencies and also may design their own new online courses following due procedures.

17. Similarly, online programmes such as Webinars, with greater participation of students, may be encouraged in colleges.
18. The system of credit transfer facilitates students getting better training at appropriate places. The universities may discuss and develop a uniform system and guidelines in this regard across the state. The number of credits earned under credit transfer shall, however, be limited to a small number. APSCHE will issue separate guidelines.
19. To ensure inculcating social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1st and 2nd years of study shall be for Community Service. Detailed guidelines on the Community Service will be circulated shortly.
20. To make the students employable, an Apprenticeship / Internship / On the job training shall be undertaken by the students in the intervening summer vacation between the 2nd and 3rd years.
21. During the entire 6th Semester, the student shall undergo Apprenticeship / Internship / On the Job Training. This is to ensure that the students develop hands on technical skills which will be of great help in facing the world of work.
22. APSCHE shall issue guidelines for the implementation and assessment of the Apprenticeship / Internship / On the job Training.

The Council vide letter under reference 2 has informed that:

- i. as per the guidelines placed in the website of the APSCHE, there shall be a mandatory 10 month internship for all UG programmes in 3 phases – 1st phase of Internship is a Community Service Project after the end of 2nd semester examinations; 2nd phase of Apprenticeship / Internship / On the Job Training is after the end of 4th semester examinations and the 3rd and final phase of Apprenticeship / Internship / On the Job Training in semester 5/6 is to ensure that the students develop hands on technical skills which will be of great help in facing the world of work along with developing social consciousness and compassionate commitment towards the neighbourhood.
- ii. in order to ensure presence of work force in firms/companies/organisations etc., throughout the year and to balance the work load in Degree Colleges, only 50% of students in a class shall be allotted Internship in V Semester and the remaining 50% shall attend classes on Skill Enhancement Courses (SECs).
- iii. The 50% of students who attended internship in V semester shall attend classes for SECs in VI Semester and the 50% students who attend classes for SECs in Semester V shall go for internship in VI Semester. In either Semester V or VI only 50% of students in a class will be in Internship or

attend classes for SECs. The students may be given a choice to opt for internship either in semester-V or semester-VI.

Accordingly, the contents of the table in the letter under reference 2 with regard to duration and hours of the 10 month mandatory Apprenticeship / Internship / On the Job Training for UG programmes as per the revised CBCS curriculum with effect from 2020-21 have been modified and shall be read as follows:

Internship Number	Apprenticeship / Internship / On the Job Training	Duration	To be held	Hours	Credits
1 st internship	Community Service Project	8 weeks	After the end of 2 nd semester, i.e during intervening summer of semesters 2 and 3	180	4
2 nd internship	Apprenticeship / Internship / On the Job Training	8 weeks	After the end of 3 rd semester, i.e during intervening summer of semesters 4 and 5	180	4
3 rd and final internship	Apprenticeship / Internship / On the Job Training	One semester	5 th or 6 th semester - 50% of students in a class to undergo in 5 th semester while the rest 50% to undergo in 6 th semester	540	12

It is further informed that for the students who are admitted in first year during the academic years 2020-21 and 2021-22, the Community Service Project can be done anytime during III to VI semesters, including weekends or holidays, completing the mandatory 8 weeks.

The Universities are therefore requested to note the changes in execution of the final internship and communicate it to all the Degree colleges affiliated to the University.

Yours faithfully,

27/6/2022

ELEMENTARY STATISTICS

AS PART OF

LIFE SKILLS COURSES

UNDER CBCS FRAMEWORK WITH EFFECT FROM 2020-21

PROGRAMME: FOUR-YEAR UG HONOURS PROGRAMME

Elementary Statistics

Objective: To provide basic understating of general statistical tools and their elementary applications and to create awareness on Indian Statistical System.

Learning outcomes

Unit-I: To understand the concept of Statistics and its merits and demerits. Distinguishing primary and secondary data. Classification, Tabulation and Pictorial representation of data.

Unit - II: To understand the basic nature of data and how a single value describes the entire data set. Measuring the degree of departure of a distribution from symmetry and reveals the direction of scatterdness of the items.

Unit - III: To understand the spread of the data and to draw conclusions from the comparison of averages.
To understand the concept of correlation and regression and to learn the degree of association between two variables and establishing relationship between the variables.

Unit I: Meaning, scope and limitations of Statistics

Collection of data: Primary and Secondary, Classification and Tabulation, Construction of frequency distribution.

Graphical Representation: Histogram, Bar, Pie and Frequency polygon.
(8hrs)

Unit II: *Measures of Central Tendency:* Features of good average, Arithmetic Mean, Median, Mode. Empirical relationship between Mean Median and Mode and skewness based on central values. (8hrs)

Unit III: *Measures of Dispersion:* Range, Quartile Deviation(QD), Mean Deviation(MD), Variance, Standard Deviation(SD), relationship between QD, MD and SD. Familiarization of the concepts relating to Correlation and Linear Regression line. (8hrs)

Books for Study:

Co-curricular activities:

Objective is to apply the theoretical concept to real life data which enhances the learning and interpretation ability to the current environment.

CoCA I: (i) Collect primary or secondary data and establish frequency distribution.

(ii) Suitable pictorial/ Graphical representation to the established frequency distribution

CoCA II: (i) Select the data and then calculate AM,Median and Mode and interpret the result.

(ii) Calculate the skewness based on central values and interpret the degree of departure of a distribution from symmetry and the direction of scatterness of the items.

CoCA III: (i) Calculate the dispersion values of a data for a single or double data sets and to draw conclusions from the comparison of averages.

- (ii) Select the bivariate data (for example, select marks of any two subjects of your course) and calculate the degree of association and establish the linear relationship and find the forecasting value.

CoCA IV: If there is an internet facility at your college/home, go through the Ministry of Statistics and Program Implementationsite www.mospi.gov.in to know about the Indian Statistical System and <https://desap.cgg.gov.in> or www.apdes.in to know about the Andhra Pradesh Directorate of Economics and Statistics(APDES) and its activities.

1. Proceedings of the CCE vide Rc.No.3/CCE-Acad.Cell-Policies/AC-6/2022 Dt: 10-05-2022.
 2. Proceedings of the CCE vide Rc.No.3/CCE-Acad.Cell-Policies/AC-6/2022 Dated 22-06-2022.
 3. Proceedings of the CCE vide Rc.No.4/CCE-Acad.Cell-Policies/AC-6/2022 Dated 07-07-2022.

Community Service Project (CSP) is being implemented successfully in all the Govt Degree Colleges for the first year and second year students in a laudable way as per the Standard Operating Procedures (SOP) and Additional Guidelines issued vided proceedings cited in the reference above.

In order to encourage the students and mentors (faculty), the Commissioner, Collegiate Educations desires to institute state level Best Community Service Project awards for B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (one award for Each Stream). In this regard, the Best Projects on Community Service have to be identified/ selected at College Level, District Level, and Zonal Level for the final level selection at the state level.

In this connection, subject wise experts are identified for the preparation of guidelines and criteria for the selection of Best Project in their respective subjects and a virtual meeting was held on 19-07-2022 at 3.30pm for discussion and finalization of guidelines and criteria. As per the suggestions given by the subject experts, the following guidelines are framed for the selection of best Community Service Project.

Selection of Best CSP at College Level:

Each College has to identify one best Community Service Project from each B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (total 5 Best CSPs from each College). **Plagiarism free Community Service Projects with Innovative ideas and Quality** shall be considered for

selection of the best CSP at College level based on the following 100 point criteria:

1. Purpose and planning of the Project:	15 points
2. Uniqueness of the project:	15 points
3. Social relevance of the Project:	20 points
4. Understanding level of the student on the project:	20 points
5. Presentation of the Project:	20 points
6. Outcome of the Project	<u>10 Points</u>
Total:	<u>100 Points</u>

At each College Level, Principal of the College has to form Stream wise committees to select five best CSPs from B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (One from each Stream) for the **the batch of 2020-21 students only**. After selection of the best CSPs at college level, the Principal of the College shall submit the best CSPs to the ID College of their respective District.

Selection of Best CSP at District Level:

ID Colleges on receiving the stream wise nomination for Best CSP from the Principals of the GDCs in the district concerned, District Level Committees (one for each Stream) with Subject Experts shall be formed to scrutinize the nominations and select one Best CSP from Each stream based on the above mentioned criteria. The ID college Principal has to submit the five best CSPs (One from each Stream) to the Regional Joint Director of the respective zone.

Selection of Best CSP at Regional/Zonal Level:

On receiving the nominations for the best CSP from the District ID Colleges, the RJDCEs shall constitute a committee at Zonal level for identifying the Five best CSPs from B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (One from each Stream) based on the above mentioned criteria. After Selection of the stream wise best CSPs at Regional/ Zonal Level, The RJDCE has to submit the five best CSPs (One from each Stream) to the Commissionerate of Collegiate Education for the final selection

Selection of Best CSP at State Level:

On receiving 15 nominations (5 from each Region/Zone) for the Best CSPs from the RJDCEs, State Level Committee shall scrutinize the nominations and select 5 best CSPs (One from each Stream). For this purpose the State Level Committee shall consists of the following members:

1. Commissioner of Collegiate Education - Chairman
2. JD/ RJDCE/AGO - Member
3. Principals/ Subject Experts (5)- members
4. Academic Officers - 2 members

The 15 students whose CSPs are nominated by the RJDCEs for the state level best CSP awards shall attend before the State Level Selection Committee (online/ offline) and present their topic and its relevance, Project methodology, project outcomes (benefit to society, institution, Student) etc., Basing on the presentation and the project report the 5 best CSPs (One from each Stream) will be selected for state level best CSP awards.

Assessment methodology for Internships / On the Job Training / Apprenticeship under the revised CBCS (2020 – 21 onwards)

As per the revised CBCS based curriculum which is implemented from the academic year 2020-21, three internships are mandatory for all students irrespective of the type of College (Govt / Private Aided / Autonomous / Constituent / Private Un-aided) and the programme of study (BA/B.Com/B.Sc/BBA/Honours, etc.). The following is the evaluation methodology for awarding marks/grades.

First internship (April-May after 1st year examinations): Community Service Project

To inculcate social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1st and 2nd years of study shall be for Community Service Project (the detailed guidelines are circulated separately).

Learning outcomes:

- To facilitate an understanding of the issues that confronts the vulnerable / marginalized sections of the society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.\
- To know the ways of transforming the society through systematic programme implementation.

Assessment Model for the First Internship (April-May after 1st year examinations):

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

Project Log	20%
Project Implementation	30%
Project report	25%,
Presentation	25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a. The individual student's effort and commitment.
- b. The originality and quality of the work produced by the individual student.
- c. The student's integration and co-operation with the work assigned.
- d. The completeness of the logbook.

The assessment for the **Community Service Project implementation** shall include the following components and based on the entries of Project Log and Project Report:

- a. Orientation to the community development
- b. Conducting a baseline assessment of development needs
- c. Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness, motivation and leadership, personality development, etc.
- d. Number Quality and Duration of Intervention/service Programmes (Prevention or promotion programs that aim to promote behavioural change in defined community contexts to address social problems) organised.
- e. Followup Programmes suggested (Referral Services, Bringing Community Participation)
- f. Developing short and mid-term action plans in consultation with local leadership and local government officers.

The **Project Report** should contain

- a) Introduction, scope, objectives, and methodology
- b) Project specifications (area / background of the work assigned).
- c) Problems identified.
- d) Analyses of the problems
- e) Community awareness programmes conducted w.r.t the problems and their outcomes.
- f) Intervention/service programmes taken up
- g) Short-term and long term action plan for implementation
- h) Recommendations and conclusions.
- i) References

The **Project Presentation** is to be made by the student after he/she reports back to the College. The components for assessment are –

- a. assessing the involvement in the project
- b. presentation skills
- c. final outcome of the project as evinced by the student.

Example:

Name of the Student:	X. YY ZZZ	
Class & Year of Study	II B.A. 2021 - 2022

Second Internship (April-May after 2nd year examinations): Apprenticeship / Internship / On the job training / In-house Project / Off-site Project

To make the students employable, an Apprenticeship / Internship / On the job training / In-house Project / Off-site Project shall be undertaken by the students in the intervening summer vacation between the 2nd and 3rd years.

Learning outcomes

- Explore career alternatives prior to graduation.
- Integrate theory and practice.

- Assess interests and abilities in their field of study.
- Learn to appreciate work and its function towards future .
- Develop work habits and attitudes necessary for job success.
- Develop communication, interpersonal and other critical skills in the future job.
- Build a record of work experience.
- Acquire employment contacts leading directly to a full-time job following graduation from college.
- Acquire additional skills required for world of work.

Third internship (5th/6thSemester period):

During the entire 5th /6th Semester, the student shall undergo Apprenticeship / Internship / On the Job Training. This is to ensure that the students develop hands on technical skills which will be of great help in facing the world of work.

Learning outcomes

- Explore career alternatives prior to graduation.
- Integrate theory and practice.
- Assess interests and abilities in their field of study.
- Learn to appreciate work and its function towards future .
- Develop work habits and attitudes necessary for job success.
- Develop communication, interpersonal and other critical skills in the future job.
- Build a record of work experience.
- Acquire employment contacts leading directly to a full-time job following graduation from college.
- Acquire additional skills required for world of work.

Assessment model for the semester long apprenticeship / on the job training / internships during the VI Semester:

The assessment for the V / VI Semester long apprenticeship is for 200 marks and credits assigned are 12.

A monthly report is to be submitted to the teacher guide online within 15 days after the completion of the every moth upto four months. The last two months of internship period shall be used for preparation of final project report simultaneously undergoing on the job training / internship / apprenticeship.

The assessment for this internship / on the job training will be both internal and external assessment. The internal assessment will be for 25% of marks which will be continuous and the assessment by the industry / enterprise / organisation where the student does his/her internship will be indicated in grades. A template to that extent is appended as Annexure – 1. This assessment is to be conducted by a responsible person (General Manager / HR Manager / Head of the Division) in consultation with the supervisor under whom the internship was done.

The components of internal assessment during *this third internship / Project Work / On the Job Training / Apprenticeship* shall include the following components and based on the entries of Project Log and Project Report:
