## **Bachelor Of Arts Field Trip.**

The Department of History, Economics, and Political Science organized a field visit to the Salur region with the aim of providing students with practical insights into the functioning of various government and non-governmental organizations. The visit aimed to foster an understanding of how theoretical knowledge intersects with practical implementation in different spheres. During the visit, the students had the opportunity to explore the following bodies:

#### Market Yard.

Market Yard: The visit to the market yard provided students with insights into the agricultural economy of the region. They witnessed the trading of agricultural produce, interactions between farmers and traders, and the functioning of market committees. This experience enabled students to connect economic theories of supply and demand with the practical aspects of agricultural markets and understand the role of government regulations in facilitating fair trade.

#### **Town Police Station.**

Town Police Station: At the town police station, students had the opportunity to observe the operations and functions of the local law enforcement agency. They learned about the challenges faced by the police in maintaining law and order, ensuring public safety, and managing criminal investigations. The visit allowed the students to analyze the intersection of politics, governance, and the role of law enforcement in society.

#### Philadelphia Community Hospital.

Philadelphia Community Hospital: The students had the opportunity to visit the hospital and witness firsthand how healthcare services are provided to the community. They observed the interaction between medical professionals and patients, learned about the challenges faced in delivering healthcare in rural areas, and analyzed the role of various policies in improving healthcare infrastructure.

#### Government Girls High School, Salur.

Government Girls High School, Salur: The field visit also included a visit to the Government Girls High School in Salur. Students had the opportunity to observe the educational environment, interact with teachers and students, and learn about the challenges and initiatives in providing quality education to girls in rural areas. This visit facilitated an examination of the intersection between educational policies, socio-economic factors, and the empowerment of women through education.

Municipal Office, Salur.

Municipal Office, Salur: The students visited the Municipal Office in Salur to gain insights into local governance and administration. They observed the functions of the municipal authorities, the decision-making processes, and the implementation of public services. This visit allowed students to analyze the role of political institutions, public policies, and community participation in municipal governance.

#### **Rotary Club.**

Rotary Club: As part of the field visit, students had the opportunity to interact with the Rotary Club, a prominent non-governmental organization. They learned about the club's community development initiatives, social welfare projects, and collaborative efforts with the government. This engagement highlighted the importance of civil society organizations in complementing government efforts and addressing socio-economic issues.

#### **Sub Registration Office.**

Sub Registration Office: Students visited the Registration Office to understand the processes related to property registration, documentation, and legal formalities. They learned about the role of the government in maintaining property records, ensuring transparency in transactions, and protecting the rights of individuals. This visit shed light on the interface between legal frameworks, economic transactions, and political institutions.

#### **Sub Treasury Office.**

Sub Treasury Office: The field visit also included a trip to the Sub Treasury Office, where students learned about fiscal administration and financial management at the local level. They explored the processes related to revenue collection, budget allocation, and expenditure management. This visit provided practical insights into the relationship between economic policies, governance, and financial decision-making.

#### **Rural Police Station.**

Rural Police Station: Students visited the rural police station to gain a broader perspective on law enforcement in rural areas. They explored the unique challenges faced by rural police, such as addressing agrarian issues, maintaining social harmony, and resolving disputes. This visit allowed students to examine the intersection of political factors, socio-economic dynamics, and the role of the police in rural communities.

#### Mandal Revenue Office (MRO Office).

Mandal Revenue Office (MRO Office): The students visited the MRO Office to understand the administrative functioning of the local government at the Mandal level. They learned about the roles and responsibilities of revenue officers, land records management, taxation processes, and the execution of government welfare schemes. This visit provided valuable insights into the coordination between economic policies, political decision-making, and administrative efficiency.

#### **Division Court.**

Division Court: The visit to the Division Court provided students with insights into the judicial system at the local level. They observed court proceedings, learned about the roles of judges and lawyers, and gained an understanding of the challenges faced by the judiciary in delivering justice. This visit allowed students to explore the connection between political institutions, legal frameworks, and the administration of justice.

# Industrial Visit by the Department of Chemistry. Patil Rail Infrastructure Pvt. Ltd, Growth Centre of Bobbili

The Department of Chemistry organized an industrial visit to Patil Rail Infrastructure Pvt. Ltd, located in the Growth Centre of Bobbili. The primary objective of this visit was to provide practical exposure to students regarding the utilization of iron ore in the manufacturing of various rail components. Additionally, the students had the opportunity to observe the operations of the Quality Control and Quality Analysis units within the industry.

During the visit, students were able to witness firsthand how iron ore is transformed into different parts used in rail manufacturing. They gained valuable insights into the processes involved, including extraction, purification, and fabrication techniques. This hands-on experience allowed them to understand the crucial role of chemistry in the production of rail components and its impact on the overall quality of the final product.

Furthermore, the students had the privilege of exploring the company's commitment to sustainable practices. Patil Rail Infrastructure Pvt. Ltd. had installed a one-megawatt solar power plant to meet a significant portion of its power consumption needs. This initiative, recognized and acknowledged by the government, positioned the company as an environmentally friendly enterprise. During the visit, students had the opportunity to visit the solar plant, learning about the innovative use of solar energy and its positive impact on reducing carbon emissions.

### **Department of Commerce.**

# Field visit to Create Awareness among the Rural customers about deposit and withdrawal by the Department of Commerce.

Date: 13-07-2022,

Banks are such places where people can deposit their savings with the assurance that they will be able to withdraw money from the deposits whenever required. However, it can be challenging for customers living in rural areas to fill out the deposit and withdrawal forms on their own. The vast majority of the time, they are required to seek assistance from either other customers or bank workers. This may result in other customers having trouble or inconvenience. Because of this, we made regular trips to the financial institutions that were close by in order to educate and assist individuals who were unable to properly complete the deposit and withdrawal forms. As a result, we were able to raise awareness among the customers who lived in rural areas and contribute to the movement towards financial inclusion.

## **Short Term Internship**

# ANDHRA PRADESH STATE COUNCIL OF HIGHER EDUCATION

# Assessment methodology for Internships / On the Job Training / Apprenticeship under the revised CBCS (2020 – 21 onwards)

As per the revised CBCS based curriculum which is implemented from the academic year 2020-21, three internships are mandatory for all students irrespective of the type of College (Govt / Private Aided / Autonomous / Constituent / Private Un-aided) and the programme of study (BA/B.Com/B.Sc/BBA/Honours, etc.). The following is the evaluation methodology for awarding marks/grades.

## First internship (April-May after 1<sup>st</sup> year examinations): Community Service Project

To inculcate social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1<sup>st</sup> and 2<sup>nd</sup> years of study shall be for Community Service Project (the detailed guidelines are circulated separately).

#### Learning outcomes:

- To facilitate an understanding of the issues that confronts the vulnerable / marginalized sections of the society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.\
- To know the ways of transforming the society through systematic programme implementation.

### Assessment Model for the First Internship (April-May after 1<sup>st</sup>year examinations):

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is incharge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

Project Log 20%
Project Implementation 30%
Project report 25%,
Presentation 25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on anindividual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a. The individual student's effort and commitment.
- b. The originality and quality of the work produced by the individual student.
- c. The student's integration and co-operation with the work assigned.
- d. The completeness of the logbook.

The assessment for the *Community Service Project implementation* shall include the following components and based on the entries of Project Log and Project Report:

- a. Orientation to the community development
- b. Conducting a baseline assessment of development needs
- c. Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness, motivation and leadership, personality development, etc.
- d. Number Quality and Duration of Intervention/service Programmes (Prevention or promotion programs that aim to promote behavioural change in defined community contexts to address social problems) organised.
- e.Followup Programmes suggested (Referral Services, Bringing Community Participation)
- f. Developing short and mid-term action plans in consultation with local leadership and local government officers.

#### The Project Report should contain

- a) Introduction, scope, objectives, and methodology
- b) Project specifications (area / background of the work assigned).
- c) Problems identified.
- d) Analyses of the problems
- e) Community awareness programmes conducted w.r.t the problems and their outcomes.
- f) Intervention/service programmes taken up
- g) Short-term and long term action plan for implementation
- h) Recommendations and conclusions.
- i) References

The **Project Presentation** is to be made by the student after he/she reports back to the College. The components for assessment are –

- a. assessing the involvement in the project
- b. presentation skills
- c. final outcome of the project as evinced by the student.

The internal assessment will be for 25% of marks which will be continuous and the assessment by the industry / enterprise / organisation where the student does his/her internship will beindicated in grades. A template to that extent is appended as Annexure – 1. This assessment is to be conducted by a responsible person (General Manager / HR Manager / Head of the Division) in consultation with the supervisor under whom the internship was done.

The components of internal assessment during this third internship / Project Work / On the Job Training / Apprenticeship shall include the following components and based on the entries of Project Log and Project Report:

- a. Involvement in the work assigned
- b. Regularity in the work assigned
- c. New knowledge acquired
- d. New skill acquired

The Project Report should contain

- a. Introduction.
- b. Project specifications (area / background of the work assigned).
- c. Problems taken up.
- d. Analysis of the problem.
- e. Recommendations and conclusions.

The Project Presentation is to be made by the student after he/she reports back to the College. The components for assessment are –

- a. assessing the involvement in the project
- b. presentation skills
- c. final outcome of the project as evinced by the student.

There shall be a final evaluation committee comprising of Principal, Teacher Guide, Internal Expert and External Expert nominated by the affiliating University. The final evaluation committee shall consider the following for evaluation –

- A. Monthly Reports submitted by the student
- B. Final Project Report
- C. Grading given by the Company / Business unit / Enterprise where the student has undergone the training. The grades shall be converted into marks on the scale followed by the University.

To evaluate and award marks, the Committee conducts viva voce examination at the college.

#### Example:

Name of the Student: X. YY ZZZ					
Class & Year of Study	ass & Year of Study III B.A. 2022 - 2023				
Registered Number	000000				
Internal Assessment	Max. Marks	Marks			
Component		<b>Awarded</b>			
Project Log	10	10			
2. Project Implementation	20	15			
3. Project Report	10	10			
4. Presentation	10	5			
TOTAL	50	40			
External Assessment Component	Max. Marks	Marks Awarded			

Performance Assessment by the Evaluation Committee, converting the grades awarded by the industry, enterprise, etc.	100	80
External Viva Voce	50	30
GRAND TOTAL	200	150

Letter grade	<b>Grade Point</b>	Credits	<b>Credit Point</b>
O (outstanding)	10	2	20
A+ (Excellent)	9	2	18
A (Very Good)	8	2	16
B+ (Good)	7	2	14
B (Above average)	6	2	12
C (Average)	5	2	10
D (Pass)	4	2	8
F (Fail)	0		
Ab (Absent)	0		

In the above example, 75 %marks are converted to letter grade / grade point. B+ (Good) 7 2 14

Thus the Comprehensive Continuous Assessment for the projects/internships/on the job training shall focus on enhancing the student's learning by ensuring that the student invests considerable time in studying, preparing and building on academic skills, moulding them into competent and skill perspective workforce. The assessment should also cater to the improvement of education and institutional assessment system that portrays the student performance.

## #BharatPadheOnline

Sub: Collegiate Education-BharatPadheOnline-Engaging students Online through various means during COVID-18 lockdown to empower them in academics-reg

Ref: UGC Letter F.No.1-14/2020 dated 25.03.2020

The University Grants Commission has been requesting the academic community to make productive use of the lockdown period in the wake of the COVID-19 outbreak. To ensure uninterrupted teaching and learning at home and minimise academic loss by leveraging the potential of ICT, UGC has, in the recent past, also shared links of digital platforms developed by MHRD and UGC with a request to create awareness amongst the academic fraternity, using the institutions' websites, e-mail and sharing through social media apps like WhatsApp, Twitter, Facebook etc. These digital platforms can be accessed by teachers, students and researchers in universities and colleges and also by lifelong learners. In this regard,

In view of the extension of Lockdown, all the Principals are instructed to instruct their Faculty/Class Teachers/Ward Counsellors to engage students through online as per their regular time table. This will help Faculty to empower themselves towards developing their ICT and Online Skills. The customisation of regular college timetable will enable students to catch their regular academics and feel empowered with knowledge and presentation skills. I appreciate the Faculty and Principals as most of the Colleges in the State are engaging their students through various digital technologies/Apps and enabling them to update in academics and creating a sense of belongingness among students and faculty and Institution. Further, Teachers can find out their students problems and health situation and it will enable them to council them and to give them confidence in times of depression related issues in the background of COVID. Another important thing is, we can assess the reach of our students throughout the State through online connectivity so as to plan for online exams in the future, if time warrants.

- Engaging students Online through any of the following ways is recommended
  - ➤ Google Classrooms https://edu.google.com/products/classroom
  - ➤ Zoom APP <a href="https://zoom.us">https://zoom.us</a>
  - ➤ CISCO Web Ex Platform <a href="https://www.webex.co.in">https://www.webex.co.in</a>
  - ➤ MOODLE <a href="https://moodlecloud.com">https://moodlecloud.com</a>

  - Quizzes/MCQs, Fill in the Blanks, Assignments, Question Banks, Discussion Forums & Other Assessment through various tools like Edmodo, Kahoot, Plickers etc.
  - ➤ Other Digital Initiatives of GoI

We need to continue with our coordinated and collective efforts to fight COVID-19 and also make productive use of our time during the prevailing situation by adopting ICT for teaching- learning process from home and contribute towards the intellectual wealth of the nation. Hence the principals are instructed to customise Time Table for their respective colleges by providing at least 2 Hrs in the morning session and 1 hr in the afternoon session and send the day wise report of the online activity in the web form and upload in the CCE website. <a href="http://www.apcce.gov.in">http://www.apcce.gov.in</a>
