Assessment methodology for Internships / On the Job Training / Apprenticeship under the revised CBCS (2020 – 21 onwards)

As per the revised CBCS based curriculum which is implemented from the academic year 2020-21, three internships are mandatory for all students irrespective of the type of College (Govt / Private Aided / Autonomous / Constituent / Private Un-aided) and the programme of study (BA/B.Com/B.Sc/BBA/Honours, etc.). The following is the evaluation methodology for awarding marks/grades.

First internship (April-May after 1st year examinations): Community Service Project

To inculcate social responsibility and compassionate commitment among the students, the summer vacation in the intervening 1st and 2nd years of study shall be for Community Service Project (the detailed guidelines are circulated separately).

Learning outcomes:

- To facilitate an understanding of the issues that confronts the vulnerable / marginalized sections of the society.
- To initiate team processes with the student groups for societal change.
- To provide students an opportunity to familiarize themselves with urban / rural community they live in.
- To enable students to engage in the development of the community.
- To plan activities based on the focused groups.\
- To know the ways of transforming the society through systematic programme implementation.

Assessment Model for the First Internship (April-May after 1st year examinations):

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

Project Log	20%
Project Implementation	30%
Project report	25%,
Presentation	25%

Each student is required to maintain an individual logbook, where he/she is supposed to record day to day activities. The project log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration the individual student's involvement in the assigned work.

While grading the student's performance, using the student's project log, the following should be taken into account -

- a. The individual student's effort and commitment.
- b. The originality and quality of the work produced by the individual student.
- c. The student's integration and co-operation with the work assigned.
- d. The completeness of the logbook.

The assessment for the ***Community Service Project implementation*** shall include the following components and based on the entries of Project Log and Project Report:

- a. Orientation to the community development
- b. Conducting a baseline assessment of development needs
- c. Number and Quality of Awareness Programmes organised on beneficiary programmes and improvement in quality of life, environment and social consciousness, motivation and leadership, personality development, etc.
- d. Number Quality and Duration of Intervention/service Programmes (Prevention or promotion programs that aim to promote behavioural change in defined community contexts to address social problems) organised.
- e. Followup Programmes suggested (Referral Services, Bringing Community Participation)
- f. Developing short and mid-term action plans in consultation with local leadership and local government officers.

The **Project Report** should contain

- a) Introduction, scope, objectives, and methodology
- b) Project specifications (area / background of the work assigned).
- c) Problems identified.
- d) Analyses of the problems
- e) Community awareness programmes conducted w.r.t the problems and their outcomes.
- f) Intervention/service programmes taken up
- g) Short-term and long term action plan for implementation
- h) Recommendations and conclusions.
- i) References

The **Project Presentation** is to be made by the student after he/she reports back to the College. The components for assessment are –

- assessing the involvement in the project
- presentation skills
- final outcome of the project as evinced by the student.

Lr.No.1/CCE/JKC/Skills/2021, Dated 18.06.2021

Dear Sir,

Sub: Collegiate Education- Imparting Skills to the Students of Govt Degree Colleges - Collaborative work from APSSDC & CCE – Reg.

I wish to inform you that the Department of Collegiate Education is imparting employable skills to students of Govt. Degree Colleges (GDCs) in the state of Andhra Pradesh since 2006 - 07 through Jawahar Knowledge Centers located in our GDCs as an in-house training by utilizing the services of our regular faculty and Mentors engaged for the purpose. Certain regular faculty undergone different trainings for enhancing the skills by collaborating knowledge partners namely, English Language Fellow Programme (collaboration with the US State department), Infosys (under Project Genesis), ICICI (Banking software trainings), Tally India Limited (Tally Software), TISS (various skills), CISCO (Network Security certifications) and IIT Bombay (various IT oriented MOOCS Courses to prepare students ready for global market competition.

In the recent years lot of changes made in the curriculum by UGC by incorporating skill-oriented courses as foundation courses, Electives, Cluster papers, Vocational Papers and new Job/market-oriented courses to enhance student skills as required for the industry.

In this connection, meticulous care is being taken by the CCE to initiate skill courses as add-on to the UG curriculum, But simultaneously, it is noticed that lot of courses have been initiated by APSSDC without the knowledge of CCE through different agencies for implementing skills (both Online/Offline) at the College level which is creating a confusion at the College level.

It is also observed that Employment Skill Centers (ESCs) which were established in GDCs are also running as special entities with a mentor & staff from APSSDC, where many short /long term courses have been launched since few years which are not aware either to principal or to HOD. Along with this the Laptops/Tabs which are supplied to those centers are not working properly and many a times it is requested from CCE to replace with functional ones which is the need of the hour in COVID -19 scenario.

The department is now planning to make huge changes in JKC by revamping the existing skill courses by introducing the need based courses like Fundamental Skills, Personal Management Skills and Team Management & Leadership Skills into JKC Curriculum.

Hence in this connection, it is requested the APSSDC to discuss with the CCE and finalize, before you initiate any programme at GDC level, so that the sanctity and need of the course training may be examined prior to give clear instructions from CCE to the institutions which further help to sustain the course to be launched or progressed and also to avoid the redundancy and repetition of courses at college level in coming days.

Thanking you,

POLA BHASKAR

Lr. No.43/SD&T/APSSDC/2022, dt.19.09.2022

To,
The Commissioner,
Collegiate Education,
Government of Andhra Pradesh,
Mangalagiri, Guntur District.

Sir

Sub: SD&T Dept. – APSSDC – Request to allocate required space for establishment of Skill Hubs under Phase II - Reg.

Greetings from Andhra Pradesh State Skill Development Corporation (APSSDC).

As you are aware that, as per the directions of Government of Andhra Pradesh for establishment of Cascading Skill Ecosystem, 66 Skill Hubs across 64 Assembly Constituencies have been established under Phase I. The phase I skill hubs will be launched on 26th September 2022. Out of 66 skill hubs under phase I, 17 skill hubs have been established in Government Degree Colleges.

As per the directions of Government, the activities pertaining to the establishment of Phase II skill hubs have been commenced. The locations for remaining skill hubs across 111 assembly constituencies are being identified from government premises only. The space required for establishment of each skill hub is 2 classrooms and 2 labs.

The district level teams from APSSDC are visiting the Government Degree Colleges for identifying the suitable space for establishment of skill hubs. The team shall see the feasibility of existing classrooms, labs with required infrastructure, and other facilities that are essential for commencement of training.

In this reference, we request you to extend your support and cooperation in identifying and allocation of suitable space (classrooms and labs) to establish Skill Hubs under Phase II. We also request you to issue the necessary instructions to the principals of Government Degree Colleges to support and cooperate with APSSDC teams.

Yours faithfully,

Enclosure: List of 111 Assembly Constituencies under Phase II
