

## LABORATORY:

There is one Laboratory for Zoology Department with 30 ft X 25ft Dimensions. Department consists of the following equipment.

S. No	Equipment particulars	Quantity
1	Compound microscopoe with single eye piece	19
2	Dissection Microscope	10
3	Microtome	1
4	Dissection trays	12
5	Dissection trays with wax	3
6	Dissection Boards	12
7	Dissection hammers	14
8	Dissection trays with wax big size	15
9	Museum Specimens	87
10	Slides	58 +
11	Dissection microscopes	10
12	Bio visual charts	51
13	Dissection trays with wooden boards	15
14	Bone cutters	12
15	Assorted angular racks	2
16	Haemocytometer	1
17	Haemometer	1
18	Joints	5
19	Models	5
20	Pippettes	5
21	Measuring jars - 100ml, 500ml	2
22	Burettes	6
23	Conical flasks	5
24	Bunsen burners	2
25	Haemoglobinometer	3
26	Plain slide boxes	5
27	Watch glasses	18
28	Lock & Key	1
29		

## DEPARTMENTAL LIBRARY:

A reference section in the Department is maintained with 50 number of various books pertaining to the subject , which are available to each and every student. students are encouraged to utilize the departmental library which is very useful for their higher studies, Common entrance tests and other competitive exams. Department is also subscribing some journals and periodicals which are very useful for research purpose.
